

## 2021 Annual Membership Meeting Scholarship Information

NFCYM provides scholarship assistance to its members for participation in the Annual Membership Meeting (AMM). Scholarships are awarded regionally for multicultural representation and economic need. Additionally, there are funds to assist members of the National Catholic Committee for Girl Scouts and Camp Fire. \*New for 2021, additional scholarship funding is also available to regions for assistance specifically for Associate Member representation if needed.

All members who are interested in applying for scholarship assistance must complete the [Individual Financial Request Form \(link to online form here\)](#). Submissions will be reviewed by your Regional Board Representative, for consideration for scholarship. Awarded scholarships will be in the form of one complimentary registration to the Annual Membership Meeting. **Submission deadline is January 15, 2020.**
